

STRAVA API PROGRAM

SUBMISSION FORM

READ ALL DIRECTIONS AND REQUIREMENTS IN FULL BEFORE SUBMITTING THE FORM

Thank you for your interest in joining the Strava Developer Program.

If you need changed/modified access more than one of your applications, you will need to submit one form **PER** application.

If you have staging or development environments, **DO NOT** submit an additional form for them. You can supply their client IDs below.

NOTE: Use of Strava's API is a privilege granted to you by Strava, not a right. Strava may modify or discontinue access to the Strava API at any time for any reason.

First name *

Last name *

Email Address *

NOTE: You will receive a response to your application at this email address. Please ensure emails from developers@strava.com are not marked as spam.

Company Name *

API Application Name *

NOTE: If you have staging or development environments, only provide your primary app name.

Strava Client ID *

Additional Apps

Provide the client IDs of any additional apps (staging, development, etc.) that use Strava's API.

Number of Currently Authenticated Users *

Provide the number of Strava users currently authenticated for your primary app. If your app is not yet available, write 1.

Number of Intended Users

Please provide a rough estimate of total users you anticipate.

Application Description *

Describe your application and the use case(s) of Strava API data. Please review our [API Agreement](#) to ensure your use case is in compliance. Lack of compliance can delay a response.

Support URL

Support site for your athletes that connect to Strava.

Please review our [API Agreement](#) and check this box once you have confirmed that your application is in compliance with our terms. Lack of compliance can delay a response.

Confirm you have reviewed our [API Brand Guidelines](#).

☐ Brand Guidelines Review *

☐ TOS Compliance *

App Images *
